

Cathodic Protection

***Your Corrosion
Specialist Partner***

MUI International is Cutting Edge Corrosion Control and Cathodic Protection Specialist Company including Engineering Design, Consultancy, Specialized Material and Products, Testing, and R&D to all kinds of industries.

MUI works under high level of engineering and quality products.

CATHODIC PROTECTION

Underground Piping and Pipeline

✓ **Impressed Current Cathodic Protection**

✓ **Sacrificial anode cathodic Protection**

- Design
- Supply materials
- Installation
- Testing
- Monitoring

Fire hydrant Piping

Cooling Piping

Aboveground Storage Tank Bottom Plate

✓ **Impressed Current Cathodic Protection**

✓ **Sacrificial anode cathodic Protection**

- Design
- Supply materials
- Installation
- Testing
- Monitoring

MMO Ribbon Anode
Grid CP System

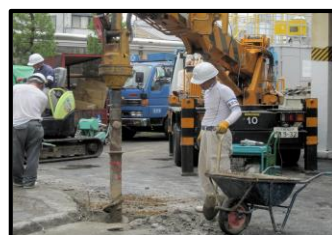

Underground Storage Tank

✓ **Impressed Current Cathodic Protection**

✓ **Sacrificial anode cathodic Protection**

- Design
- Supply materials
- Installation
- Testing
- Monitoring

ICCP Anode Installation

Sacrificial Mg Anode

CATHODIC PROTECTION

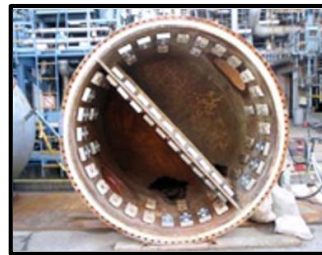

Condenser Water Box and Heat Exchanger

- ✓ **Impressed Current Cathodic Protection (ICCP)**
- ✓ **Sacrificial anode cathodic Protection**
 - Design
 - Supply materials
 - Installation
 - Testing
 - Monitoring

ICCP Anode

Sacrificial Anode

ICCP Anode
in Condenser Box

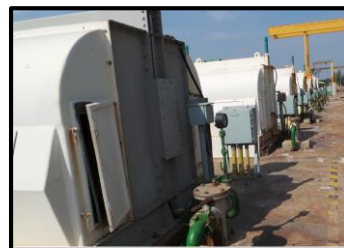

Transformer Rectifier

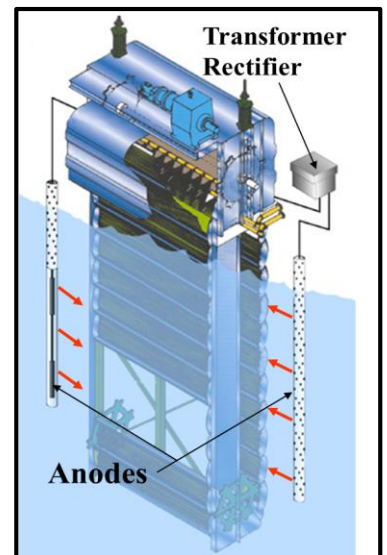

Traveling Screens

- ✓ **Impressed Current Cathodic Protection**
 - Design
 - Supply materials
 - Installation
 - Testing
 - Monitoring

Traveling Screen

ICCP System

CATHODIC PROTECTION

Intake Pump Case

☐ Impressed Current Cathodic Protection

- Design
- Supply materials
- Installation
- Testing
- Monitoring

Disc Anode

Intake Pump

Underwater Steel Structures

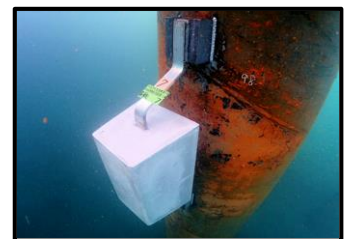

☐ Impressed Current Cathodic Protection

☐ Sacrificial anode cathodic Protection

- Design
- Supply materials
- Installation
- Testing
- Monitoring

Impressed Current Anode

Aluminum Anode on Piles

USA, Hong Kong, Thailand
